

MEDFEST'19

I-KNOW Steering Committee Meeting prior the Main Event

December 13th, 2019

MedFest is an exciting new event to Malta, based on the extremely successful UK model, VentureFest, which began 21 years ago in Oxford and now takes place in 13 cities.

This formula is proven to stimulate investment in innovative new companies and the commercialisation of intellectual property, which is why the model is being replicated here in the Mediterranean.
